## Hot News: We Unite Data, Inc. grows customer base by 60%

Magonaga Industries, Inc. joined its client We Unite Data, Inc. ([www.wudata.com](http://www.wudata.com)) at the National Association of REALTORS® Mid-Year Legislative Expo in Washington, D.C. from May 11<sup>th</sup> through May 13<sup>th</sup>. With over 8,000 attendees and hundreds of exhibitors, the show was an important opportunity for Magonaga Industries to assist We Unite Data, Inc. in driving new revenue into its business operations.

We're pleased to announce that We Unite Data, Inc. has increased its client base by 60% since retaining Magonaga Industries, Inc. in February of this year to provide business development and project management services. We look forward to continuing to drive this business growth to new heights and empowering We Unite Data, Inc. to leap forward into higher profitability and success.

We Unite Data, Inc. is a provider of real estate technology solutions based in Manchester, Vermont. We Unite Data, Inc. specializes in custom web site design and has a powerful MLS display engine combined with an intuitive, vertical-learning curve control panel which enables its REALTOR® clients to maximize their web sales. Magonaga Industries is helping We Unite Data, Inc. develop the AlphaLynxIDX next-generation version of this product.

## China Seminar Opportunity – Call Today!

Magonaga Industries, Inc. and its Chinese partner, Asee China Services Co., Ltd. are jointly planning a trans-Asia business seminar in Xiamen, China for later this year! Focusing on the delivery of North American business intelligence to the Chinese market, this week-long event will provide cultural training, business education, and financial consulting to Chinese companies seeking to expand their business dealings in the North American market.

Magonaga Industries, Inc. is in discussions with the Export-Import Bank of the United States ([www.exim.gov](http://www.exim.gov)) on obtaining commercial coverage for this venture. With the Ex-Im Bank's recent extension of commercial coverage to American companies selling services to China - and

the existing relationship between Asee China Services Co., Ltd. and the Bank of China – we anticipate a smooth progression through this process.

Call us today at **1-800-563-9015** to learn more about this exciting opportunity! Accounting, training and other services will be showcased in this project. If your company has goods or services you are considering offering to the Chinese and greater trans-Asian market, we'll be glad to demonstrate how our China Shore program can be of value to you.

## **Magonaga Industries, Inc. retains Wagner Group**

Magonaga Industries, Inc. has retained Joseph Wagner, CPA of the Wagner Group for its accounting and financial modeling processes. The Wagner Group ([www.wagnergroup.us](http://www.wagnergroup.us)) is located in Manchester Center, Vermont and provides accounting and financial solutions to area businesses and individuals.
